

MILLSTREAM
ESTATE SERVICES LIMITED

CASE STUDY:

**COMMERCIAL
GROUNDS
MAINTENANCE
CAMBRIDGE**

PROJECT OVERVIEW.

Working directly for a large **medical research facility**, to provide them with a full grounds maintenance service.

OUR SCOPE.

To deliver a **bespoke external grounds maintenance** package to a security conscious site. Including:

Weed control

Window cleaning

Wildflower areas

Hedge maintenance

Lawn care

Litter and leaf clearance

Winter maintenance

THE OUTCOME.

Working with our client for more than six years now, we've continued to **develop our service offering** as the landscape and site requirements have evolved.
