CASE STUDY:

GROUNDS MAINTENANCE MK COLLEGE

CONTRACT OVERVIEW.

Partnering with
MK College for
over **five years**,
we have
provided **routine
grounds
maintenance** to
a variety of
sites, including
three college
campuses and a
state-of-the-art
sports facility.

OUR SCOPE.

Our **bespoke external
grounds maintenance**
service includes a variety
of planned weekly,
fortnightly and monthly
tasks, **including:**
Chemical weed control
Bed and border
maintenance
Hedge and shrub
maintenance
Lawn care
Defect reporting

THE OUTCOME.

Working with the FM team at the college, we have designed a programme of external maintenance tasks which presents the campuses as welcoming, well maintained spaces in which students can thrive.
